Who we are...

The Southern California Chapter of the Healthcare Information and Management Systems Society (HIMSS) <http://www.himss-socal.org/> is a diverse group of experienced healthcare professionals working throughout Southern California. We work at hospitals, corporate health systems, consulting firms, vendor organizations, universities, and a wide variety of other organizations. Many of us are the decision makers in our organizations. Our members range from senior executives to analysts and students. We have technical members and clinical members. The majority of our members have well over ten years of experience in the healthcare field.
