January 20, 2012
Microsoft Offices
835 Market Street, Suite 700
San Francisco, CA

Featuring
Keynote Speaker

Dr. Connie Mariano

"The White House Doctor"

Physician to Three American Presidents

This event is designed to encourage and support the growth of women leaders in healthcare IT. Hear from experts who have successfully guided organizations during tumultuous times. Learn from your peers best practices on how to manage projects and teams, how to be an effective leader, how to coach your team to win, network with others and participate with our expert panel members to discuss critical issues pertinent in healthcare IT today. More than 200 industry leaders are coming together to be inspired, encouraged and mentored as they gain powerful insights into what successful women executives are doing in Healthcare IT.

How do women create innovative driven organizations?

Agenda includes exceptional speakers and an open panel with leaders from healthcare IT .
