So. Cal HIMSS Annual Meeting

- Strategic Plan
- 2010/2011 Achievements
- Financial Position
- Past President Recognition
- Incoming Board

So. Cal HIMSS 5 Year Strategic Goals

- Broaden this chapter's influence on local, state and national healthcare legislation as it relates to information technology
- Expand benefits to promote more opportunities for our membership
- Expand benefits to promote more opportunities for our membership
- Bridge the gap across all healthcare IT constituents

So. Cal HIMSS 2010/2011 Significant Accomplishments

- Held 4 key programs this year with record attendance. Also collaborated with other organizations (i.e. HFMA) to support other healthcare related programs.
- Provided professional development opportunities through HIT Career Advancement Workshops, Internship and Mentorship programs, and network opportunities at all program events including large networking event at National HIMSS Conference.
- Membership has grown by over 480 members year over year (39%). Significant provider, organizational affiliate and student growth.
- Programs/education have been attracting different types of healthcare constituents and cover broad array of topics.

So. Cal HIMSS 2010/2011 Financial Position

- Positive bank balance
 - Opportunities for investment
 - Marketing/Communications
 - New programs (ambulatory, innovation, etc)
 - Scholarships
 - Leadership education
- Improved program planning processes
 - Most programs are break even
- Sustainable reserve
 - Last two years have developed reserve for future years
